THE RUN OF SHOW

TIME	BLOCK AND SCENES	WHAT HAPPENS
10:00 to 10:10	Welcome: who we are, and your four objectives Title, Who we are, From July to today, Your four objectives, You told us (only if pre-brief answers came in), The thesis	Thank Ross for the invitation. Who we are and how we work. July to today. Ross's four objectives, word for word, and his goal. The homework answers, if any. TheraBreath took away the burn; now let's give more people a reason to want it.
10:10 to 10:25	Your portfolio, the market, and what is changing OBJECTIVE 01 Objective 01, 86 of every 100 households, The portfolio today, The shelf is a flavor shelf, Seven signals, For discussion	The household gap. Mint is mastered; the next chapter is everything mint makes possible. The shelf turns to flavor. Seven signals, one build each. Then the room picks the three that matter most (click to mark them) and says what we have missed.
10:25 to 10:40	Flavor School and four opportunity platforms OBJECTIVE 02 Objective 02, What flavor really is, How cool works, Flavor in an oxidizing world, Anatomy of a TheraBreath flavor, Four opportunity platforms, then one scene per platform	Taste, aroma and feel; the two jobs of cooling; why OXYD-8 is a demanding home for flavor; how a TheraBreath flavor must finish. Then the four platforms on one map and one at a time: two carry today's samples, two are for discussion.
10:40 to 11:00	A blind tasting made in your bases OBJECTIVE 02 Blind tasting and the reveal, For discussion	Scorecards out. A and B in the Fresh Breath base, C and D in the Kids base. D is the Mystery Flavor: fruit guesses before the reveal. Then the names, one word for each, and the directions that earned a next round (click to mark them).

TIME	BLOCK AND SCENES	WHAT HAPPENS
11:00 to 11:20	From samples to concepts: who, when and what role OBJECTIVE 03 Objective 03, Concepts built in the room	From the scorecards and the marked directions, up to three concepts. For each: where it starts, who it is for, the moment, its role in the range, the format, and whether it grows loyal users, new consumers or both. Type each one into a concept card.
11:20 to 11:40	White space and the pipeline: Now, Next, Later OBJECTIVE 04 Objective 04, White space, Now Next Later	Walk the grid: where TheraBreath is today, and where each concept lands (click a cell to mark it). Then each concept and direction goes into Now, Next or Later with a TFF owner, a C&D reviewer, the base and the next sample action.
11:40 to 12:00	Our roadmap, owners and next steps, and a short film to send you to lunch The Playbook you just built, What happens next, THE FLAVOR RACE, Lunch	The Playbook assembles from what the room marked and typed: read the roadmap back with owners. The three next steps. Thank the room. At 11:48, THE FLAVOR RACE (2:26), lights down, sound up. Then lunch, hosted by Church & Dwight.
